Dear Eugene Anokye,

CONGRATULATIONS! YOU'VE ADVANCED TO THE NEXT STAGE OF AFDIC HACKATHON

We are excited to inform you that after careful evaluation of your submission for the **AFDIC Hackathon** in partnership with **eDok**, you have successfully advanced to the next stage!

Your work stood out, and we appreciate the effort and innovation you put into developing the workshop registration system. As you move forward, we will share details about the next steps, including expectations and deadlines.

Stay tuned for further instructions. Congratulations once again! If you have any questions, feel free to reach out.
